

KOWLOON BOWLING GREEN CLUB

30 July 2009

To All Bowlers

Please note that on the mornings of 9/8 and 16/8 the greens will be closed to members. One for Repair & Maintenance and the other for the HK Classics Singles Qualifiers. During the first of these days we will have 27 people away on the Bangkok Trip and many of our bowlers playing at other venues in the Classic Qualifiers. On the second Sunday we will have players away at other venues again for the qualifiers. Consequently it is not envisaged that this will be a problem for our members, however we do apologise in advance for any inconvenience caused. One green will of course be open in the afternoon on these days for our normal Sunday afternoon roll-up.
