

KOWLOON BOWLING GREEN CLUB

30 July 2009

To All Bangkok Tourists

Please note the following details for our trip to Bangkok:-

1. The programme Schedule received from RBSC is attached below. Please see that we play twice on Sunday.
2. There are time slots for practice sessions on Friday early evening and Saturday morning for anyone who feels they need the extra fine tuning of their abilities.
3. Club league shirts to be worn for the games.
4. Changing and shower facilities are available at RBSC for the Ladies to look gorgeous at the presentation dinner.
5. Volunteers Required
 - a. To carry two trophies in their luggage.
 - b. To carry two souvenirs in their luggage.
 - c. To carry approx 50 pairs socks in their luggage.
 - d. Three volunteers needed. Two to not play the Sunday morning game and one not to play the Sunday afternoon game. We have 20 bowlers and need 18 for each game. I have one volunteer not to play the afternoon game and therefore need 3 more as above. If not workable this way we will draw names from a hat.
6. We are advised that there will be bowls available for anyone not wishing to carry their own. Please advise urgently if you need bowls and what size you require.
7. Please be advised that for those players who have entered the Classic Singles Qualifying event due to start on the 8/8 and 9/8 we have made arrangements for your games to be postponed to the 15/8 and 16/8 respectively or even later.
8. It seems there is plenty of free time on this trip, so any suggestions for communal activities are welcome.

John Lunn
Bowls Convenor
